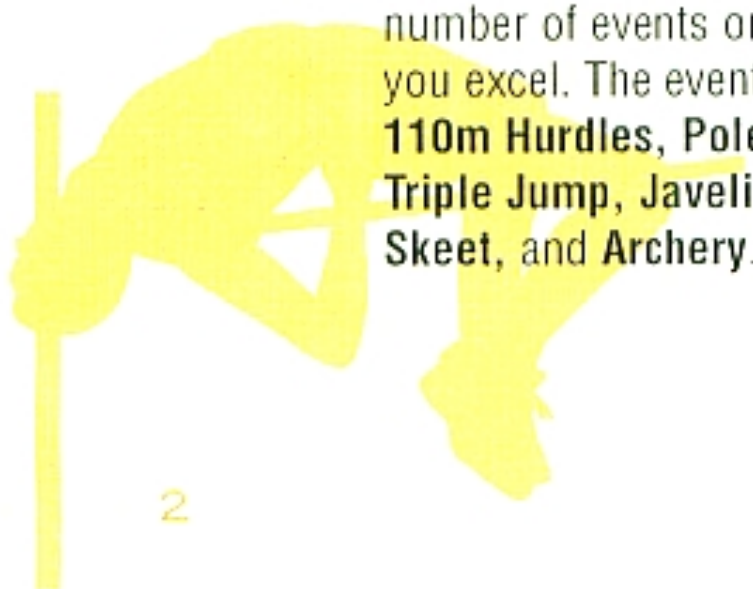
# OLYMPIC SUMMER GAMES

Atlanta 1996

***Prepare yourself for competition!*** You've been selected to represent your country in the most prestigious athletic event the world has ever known... and the world is lining up to challenge you in 10 Olympic events. You'll compete in track, field and shooting events ranging from the 100 meter Sprint to the archery competition as the world watches its best athletes display their physical superiority!

Bring all the drama and excitement of the Olympic Games home in time for 1996 Atlanta Olympic Games. Give it your best... ***The world is watching!***

In the Olympic Summer Games, you can choose to represent one of 32 nations in competition, as well as participating in any number of events or only the events at which you excel. The events include: **100m Sprint, 110m Hurdles, Pole Vault, Long Jump, Triple Jump, Javelin, High Jump, Discus, Skeet,** and **Archery**.



AtariGuide

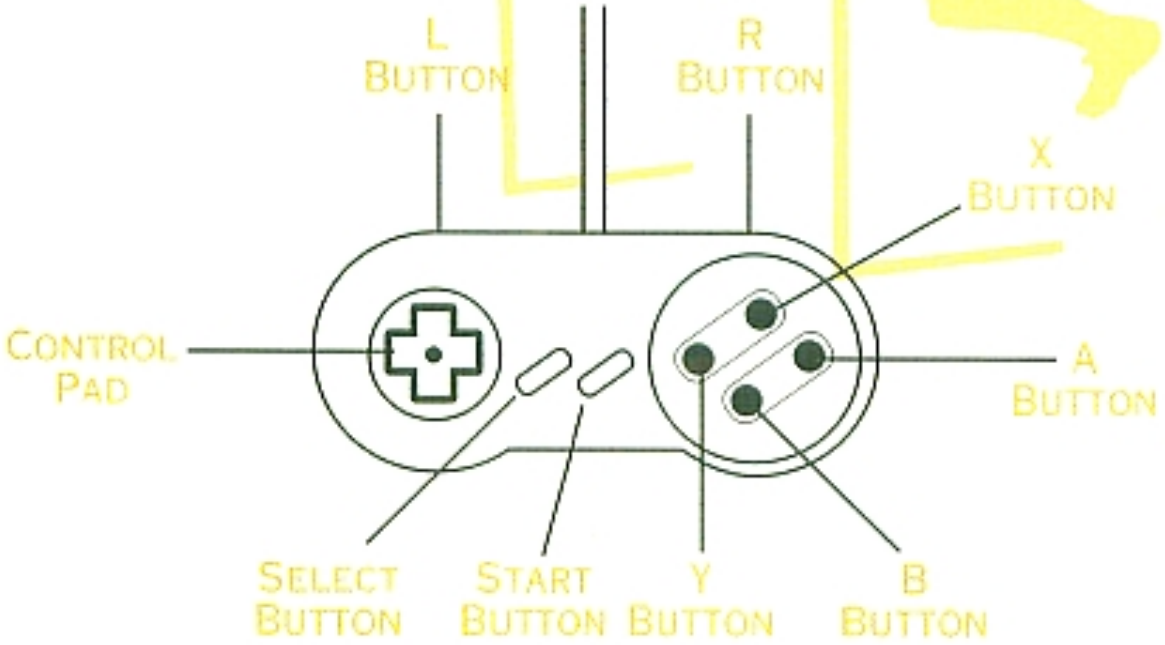
## GETTING STARTED

1. Turn OFF the power switch on your Super NES. Never insert or remove a Game Pak when the power is on.
2. Insert the Game Pak into the slot on the Super NES. To lock the Game Pak in place, press firmly.
3. Turn ON the power switch. The **Olympic Summer Games** logo should appear (if you don't see it, begin again at step 1.)

## CONTROLS

The controls vary from event to event, but power/speed is usually attained by repeatedly pressing the A and B buttons. For more information about controls for individual events, see COMPETITION, page 8.

### Menu Controls



AtariGuide

**Control Pad Up/Down:** Moves Olympic torch up or down to highlight option or selection.

**Start Button:** Chooses menu item.

**Multi-player controls:** Before each player competes in an event, the player's name and country will appear on the screen. Press the START Button on the controller that you want to use to control the player. The other controller will be inactive during the event.

## MAIN MENU

The main menu consists of PLAY, PRACTICE EVENT, OPTIONS, and OLYMPIC RECORDS. To scroll though the Main Menu, use the Control Pad Up/Down to highlight desired option. When ready, press the START Button.

AtariGuide

# PLAY

Before you can begin a competition, you must choose between three options: PLAY GAME, CUSTOM GAME, and RETURN TO MAIN.

Highlight the option you want by moving the Olympic Torch up/down and pressing START.

## Play Game

After you choose PLAY GAME, a menu appears allowing you to choose the number of human players, player names, and countries for each player to represent.

**To accept current information,** move the Olympic Torch to highlight OK and press START.

AtariGuide

**To select human players,** move the Olympic Torch to highlight the blue circle next to the player name an press the A or B Button. Players controlled by the computer will have their names displayed in white and players controlled by humans will be displayed in blue. Olympic Summer Games allows up to eight human players to compete against each other.

**To enter a new name,** move the Olympic Torch to highlight the player name and press START. A table of characters will appear. Use the Control Pad to highlight a letter and press the A or B Button. When you are finished entering the name, highlight END and press the A or B Button.

**To choose a country to represent,** move the Olympic Torch to highlight the three letter name of the current country. Press the A or B Button to scroll through the 32 available countries.

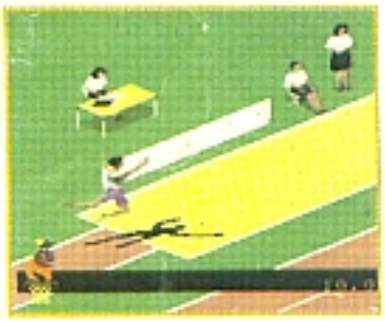
**To continue entering player information,** move the Olympic Torch to highlight NEXT PAGE and press START. When you are ready to begin competing, move the Olympic Torch to highlight OK and press START.

AtariGuide

## Long Jump

Repeatedly press the A and B Buttons to make the player run. Press the Control Pad Up at the line to jump.

***Note:*** The length of time that you can hold the Control Pad Up determines the angle of the jump.



## Triple Jump

Repeatedly press the A and B Buttons to make the player run. Press the Control Pad Up at the line to make the player jump. When the player lands, press the Control Pad Up again for the second jump. Then, when the player lands again, press the Control Pad Up for the third and final jump.

## Javelin

Press and hold the Control Pad Left and then repeatedly press the A and B Buttons to make the player run. When the player crosses into the triangle, press the Control Pad Right to release the javelin. Immediately press the Control Pad Left to stop the player from crossing the line and becoming disqualified.

***Note:*** The longer you wait to release the javelin, the further it will travel.

AtariGuide

## 100 Meter Sprint

Repeatedly press the A and B Buttons to make the player run. Press the Control Pad Up at the end of the race to lunge through the finish line tape.

## 110 Meter Hurdles

Repeatedly press the A and B Buttons to make the player run. Press the Control Pad Up to jump over hurdles. Press the Control Pad Up at the end of the race to lunge through the finish line tape.

## Pole Vault

Repeatedly press the A and B Buttons to make the player run. Press the Control Pad Down to set the pole. Quickly press the Control Pad Up to lift the player off the ground, then press the Control Pad Right to give the player added momentum to get over the bar.

***Note:*** If you do not set the pole early enough, your player will not rise off the ground.

AtariGuide

## Custom Game

After you choose CUSTOM GAME, a list of the events is presented along with ON after each event. If you would prefer not to participate in one or more events, use the Control Pad Up/Down to highlight the event you wish to skip and press the A or B Button to turn the event on or off. Events marked OFF will be by-passed. When you are done choosing your events, move the Olympic torch down to highlight PLAY CUSTOM GAME and press the START Button. To enter a player name and choose a country to represent, see Play Game on page 5.

## PRACTICE

In the PRACTICE mode, you can choose to practice any of the Olympic events. After you have completed your practice of a particular event you have the option to continue a practice session or return to the event listings. A player can then choose a new event to practice or return to the MAIN menu.

AtariGuide

## OPTIONS

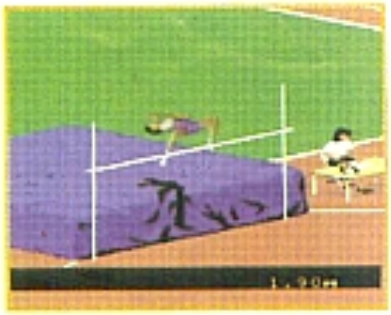
Within the OPTIONS menu you can set the SKILL LEVEL (Easy, Medium, Hard), choose the HEAD TO HEAD on/off, turn MUSIC on/off and turn SOUND FX on/off. Additionally, players can select SFX TEST and MUSIC TEST to cycle through the sounds. To change an OPTION, use the Control Pad Up/Down to move the Olympic Torch up/down to highlight an option. Change the option by pressing the A or B Buttons. When you have finished adjusting your options, use the Control Pad to move the Olympic Torch to the RETURN TO MAIN option and press START.

***Note:*** The Head to Head options allows two human players to compete against each other in the track events (100 Meter Sprint and 110 Meter Hurdles). Human players will only race against each other in the semi-final and final track heats.

## COMPETITION

When you are ready to compete against the worlds best, you will participate in the events listed below. In the Track and Field events, you will find slight differences in the controls. Under each event listed below, there is a complete description of the controls.

AtariGuide



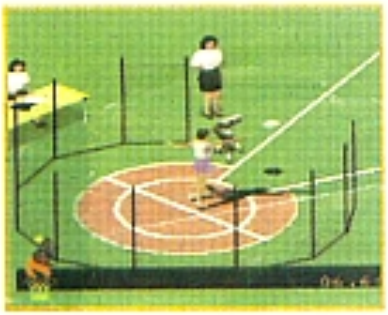
## High Jump

Repeatedly press the A and B Buttons to make the player run. When the player starts to turn his back (just before the cross bar), press the Control Pad Up to get the player off the ground and over the bar.

Practice mode: To set bar height in PRACTICE mode use the Control Pad Up/D vn to adjust the bar, press the A or B Button when ready.

## Discus

Repeatedly press the A and B Buttons to give the player power and set him in motion. When the player's foot lands on the center line, press the Control Pad Left to set the angle. Immediately press the Control Pad Right to throw the discus.



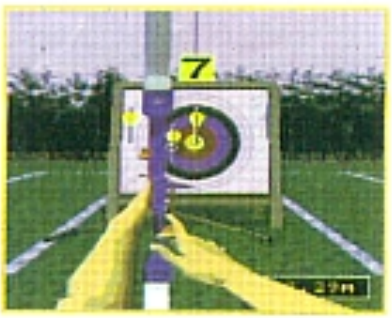
## Skeet

Press the B Button to launch the pigeon. Use the Control Pad to move the sight around the screen. Press the A Button to shoot.

***Note:*** You get two shots per pigeon.

AtariGuide

## Archery



Use the Control Pad to aim the bow. Remember to account for wind. Press and hold the B Button to set the power. To release the arrow press the A Button.

***Note:*** There is a wind factor involved in the game and players much watch the wind meter on top of the target to aim accurately. Additionally, the bow will shake from strain on the competitor.

# Limited Warranty

BLACK PEARL SOFTWARE warrants to the original consumer purchaser that this Game Pak (PAK) shall be free from defects in material and workmanship for a period of 90 days from the date of purchase. If a defect covered by this warranty occurs during this 90-day warranty period, BLACK PEARL SOFTWARE will repair or replace the PAK, at its option, free of charge.

To receive this warranty service:

1. DO NOT return your defective Game Pak to the retailer.
2. Notify the BLACK PEARL SOFTWARE Consumer Service Department of the problem requiring warranty service by calling: (818) 591-1310. Our Consumer Service Department is in operation from 9:00 a.m. to 5:00 p.m. Pacific Standard Time, Monday through Friday.
3. If the BLACK PEARL SOFTWARE service technician is unable to solve the problem by phone, he/she will provide you with a Return Authorization number. Simply record this number on the outside packaging of your defective PAK, and return your PAK freight prepaid, at your risk of damage, together with your sales slip or similar proof-of-purchase within the 90-day warranty period to:

   BLACK PEARL SOFTWARE Consumer Service Department,
   5016 N. Parkway Calabasas, Suite 100, Calabasas, CA 91302

This warranty shall not apply if the PAK has been damaged by negligence, accident, unreasonable use, modification, tampering, or by other causes unrelated to the defective materials or workmanship.

REPAIRS AFTER EXPIRATION OF WARRANTY: If the PAK develops a problem after the 90 day warranty period, you may contact the BLACK PEARL SOFTWARE Consumer Service Department at the phone number noted. If the BLACK PEARL SOFTWARE service technician is unable to solve the problem by phone, he/she may provide you with a Return Authorization number. You may then record this number on the outside packaging of the defective PAK. Send the defective PAK, along with $10.00 freight prepaid to BLACK PEARL SOFTWARE. BLACK PEARL SOFTWARE will, at its option subject to the conditions above, repair the PAK or replace it with a new or repaired PAK. If replacement PAKS are not available, the defective PAK will be returned and the $10.00 payment refundable.

WARRANTY LIMITATIONS: ANY APPLICABLE IMPLIED WARRANTIES, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY LIMITED TO NINETY DAYS FROM THE DATE OF PURCHASE AND ARE SUBJECT TO THE CONDITIONS SET FORTH HEREIN. IN NO EVENT SHALL BLACK PEARL SOFTWARE BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES RESULTING FROM THE BREACH OF ANY EXPRESS OR IMPLIED WARRANTIES.

The provisions of this warranty are valid in the United States only. Some states do not allow limitations on how long an implied warranty lasts or exclusion of consequential or incidental damages, so the above limitations and exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
